Re: Notification of Reduction of Force

---

This is to serve as official documentation and notification that Firefighter Dave Yunker, a 10 year WFD member, requested and received a Pension Disability Hearing before the Local Pension Board. As a result Mr. Yunker's application for disability benefits was reviewed and approved by the 1977 Police Officers' & Firefighters' PERF Board of Trustees. This action was taken in accordance with the powers and duties granted in IC 36-8-8-4(a) and IC 36-8-8-5(a).

Effective 5/21/2009, Mr. Yunker is no longer employed with the City of Westfield, and is considered Retired-Disable as reflected by the PERF Board of Trustees. The position vacated by Mr. Yunker will be filled July, 2009.

No Board of Works & Safety action is required.
